

MAS INDUSTRIES

Since 1995 MAS has quietly built a reputation as the Chassis industry's most up-to-date, "part-expert" and reliable supplier.

We are first to market on new applications and with our unique knowledge, the replacement fit is guaranteed.

Stop losing sales due to incomplete or inaccurate part listings: with MAS you get more part numbers quicker - and a guaranteed fit - so you can order with absolute confidence, every time.

MAS - QAP offers the largest selection of Control Arms in the aftermarket. QAP Chassis features our ultimate selection of control arms which are redefining the control arm aftermarket. With state-of-the-art design and quality at a price point that expands and enhances your profitability you cannot afford to miss out.
