

GET ORGANIZED THE ONE-SOURCE SUPPLIER

Founded in 1939, Perfect Equipment Inc. is the world's largest manufacturer of wheel balance weights. With close ties to the original equipment market, Perfect Equipment has valuable insights into the latest design changes on new vehicles.

Through a network of four manufacturing and distribution centres, Perfect Equipment is the only "one-source" supplier.

Perfect Equipment is also uniquely suited to assist with your needs for non lead wheel weight needs. With our lead alternative wheel balance products, Perfect Equipment is an environmentally friendly company offering non lead weights that are not affected by State EPA bans on lead weights. Perfect Equipment wheel balance weights are designed to meet all of your wheel weight and tire balance needs that are in accordance with all states that have banned lead weights.
