

**Gates**  
**UNICOIL**

**SALE** \$122.95  
Reg. \$181.95

#28519

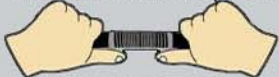

Now you can make those quick repairs when curved/molded hose isn't available. Gates Unicoil allows you to shape custom bent hoses using straight heater hose.

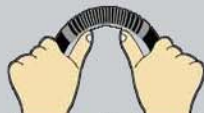

The perfect solution for:

- \* quick repairs,
- \* customized engines,
- \* out-of-stock situations and
- \* one-of-a-kind routing problems.

Slide the Unicoil on the hose where the bend is required.

Position the Unicoil spine on the inside of the bend.

Shape the spine to the required bend (up to 90 degrees).

Available for 1/2-inch (12.7mm), 5/8-inch (16mm) and 3/4-inch (19mm) ID hoses. Gates Unicoil is made of stainless steel coil and a metal spine that will permanently hold its bend.

**KYB**

World Class Shocks & Struts

"Feeling is Believing" can help your technicians and your customers experience the benefits that KYB products provide by making it more affordable to purchase them.

**How the Program Works:**

Purchase and install a pair of KYB shocks or struts during the Sept. 1- Oct. 31, 2009 period and receive a \$10 Redemption Certificate good towards another KYB purchase. There is no limit to the number of certificates that you can earn! Redeem them one at a time or all at once at the end of the promotion.

To qualify for the \$10 redemption you need to:

- redeem the certificate here at the Young Automotive Professionals;
- submit the certificate attached to a pair of purchased box end tabs (with UPC);
- or, a copy of the installation invoice that you issued to the consumer.

Certificates must be redeemed by Nov. 15, 2009.

**Shock and Strut Promo  
Sept. 1 - Oct. 31, 2009**

Automotive research shows that shocks and struts should be replaced on most vehicles at about the 80,000 km point to ensure both safe handling and a comfortable ride!

Our FALL promo offer will help you to replace worn shocks and struts on your customers' vehicles.
